The Bessemer Area Chamber of Commerce appreciates your membership in the chamber greatly! Our purpose for existing is to promote the economic and financial well being of our members. In that regard it is our pleasure to let you know that Liberty National Life is now a member of our Chamber and has entered into a partnership agreement with us to provide added benefits to you and your business as well as the chamber. The Bessemer Area Chamber of Commerce encourages you to review this new program and to use it where it will benefit you.

Liberty National Life Insurance Company, headquartered in Birmingham, Alabama, traces its origin back to 1900 when our predecessor – a fraternal organization called the Heralds of Liberty – was founded. In 1929, at the beginning of the Great Depression, Liberty National was incorporated as a stock company.

Liberty National survived during the Depression due to strong management with an emphasis on conservative investments and close attention to the costs of doing business. These characteristics continue to be the cornerstone of Liberty National's management philosophy. With over a century of experience, Liberty

National has proven the financial strength and integrity are our best policies.

Today, Liberty National is a wholly owned subsidiary of Torchmark Corporation, (TMK), one of the largest publicly held life and health insurers in the nation.

Torchmark Corporation's subsidiary companies specialize in life and health insurance coverage for working Americans.
