What a Night! Lt. Governor Kay Ivey a Big Hit!

It was exciting, it was dynamic, it truly is a new beginning and it was the 89th Bessemer Area Chamber of Commerce Banquet. The food provided by Cook Catering was outstanding and the music from one of our local talented teachers, Kenneth Williams (Greenwood Elementary School) made the evening ever so much better. Outgoing Chairman of the Board David Darby (Bank Trust) highlighted the accomplishments of the Chamber in 2010 and thanked the outgoing Board members. He then turned the gavel over to our 2011 Board Chairman Keith Pennington (Medical West) who provided a feel for what can be expected in 2011 from your Chamber.

Van Sykes, the 2010 recipient of the Charles A. Long Sr. Civic Award presented Ms. Nelda Pate the 2011 Award. Van said of Nelda, "Each year, the Bessemer Chamber of Commerce recognizes someone who has consistently gone above and beyond the call of duty in Civic service by awarding the Charles A. Long Sr. Civic Award. Some people make a difference in this world just by being who they are, serving others and not worrying about who gets the praise. Because of the unselfish and continued service to the Bessemer Area this year's recipient is well deserving of the 2011 Charles A. Long Sr. Outstanding Civic award."

It was then the Chamber's distinct honor to present our new Lt. Governor for the State of Alabama, the Honorable Kay Ivey. She encouraged us, thanked us, and challenged us to make a difference with the changes made last November. She also recognized the City of Bessemer's new Mayor, the Honorable Kenneth Gulley, and its new City Council. She challenged them to make this new beginning a positive for our City. After her remarks, Mayor Gulley stood and presented her with a Key to the City. He then took a few minutes to talk about the challenges and positives of Bessemer. He made some great comments including thanking Lt. Governor Ivey for her help in bringing the Dollar General Distribution Center to Bessemer.

In closing the meeting we acknowledged the assistance and hard work of the Chamber's Ambassadors under the leadership of Minnie Roper and Claire Mitchell, the beautiful gift from Loyal Seymour Jewelers (Carol and Larry Parsons) for our outgoing chairman, and the outstanding support of the Bessemer City Council and the Civic Center staff. Some notables in attendance were: Bessemer City Council members President Jesse Matthews, Donna Thigpen, and Sarah Belcher; Hueytown Mayor Delor Baumann; State Senators Priscilla Dunn and Greg Reed; Judge Eddie Vines; Jefferson County District Court Clerk Bennie Watson; and Chamber Execs Becky Williams (Hueytown) and Joyce Franklin (Greater Irondale). It truly was an exceptional evening. (*More pictures in Chamber section*)

Join Us in Honoring Our First Responders

On March 3 we will again be honoring those men and women who sacrifice so much even risking their lives to protect and serve our businesses, our families and our lives. The Chamber will recognize the Fire Fighter, Police Officer, and Sheriff's Deputy of the Year. The Keynote speaker will be Jefferson County District Attorney Brandon Falls and the lunch will be exceptional. Please make plans to join us. Nelda Pate - 2011 Charles A. Long Sr. Outstanding Civic Award Recipient

Van Sykes, 2010 Charles A. Long recipient, did an outstanding presentation to Nelda Pate who was completely surprised when she was named the 2011 winner of the City's prestigious Civic Award. Named for the first recipient and longtime Bessemer business leader Charles A. Long Sr., the award epitomizes the sacrifice, dedication, and support given by citizens of the Bessemer area to making Bessemer a better place to live and do business.

Talking about Nelda's service Van stated, "This is a unique individual who is well known for their involvement in the community. The recipient loves the City of Bessemer and the community putting the growth, improvement and quality of life of the City as their first priority. This person still has friends from childhood in Bessemer, attended the same church most of their life in Bessemer, taught Sunday school and vacation Bible school in Bessemer.

Any time there is a promote Bessemer function going on, this person is involved. And not only that if this person knows of someone sick they will visit them, take food, and drive them to and from the doctor. Their civic involvement didn't start later in life with a career, their passion to serve Bessemer started in high school, being very involved in clubs and always volunteering to hold an office, always dedicated from early on.

The recipient has been involved in so many things that I am sure I will overlook many of their accomplishments. They have been a major supporter of the Bessemer Area Chamber of Commerce for over 20 years, served on the board of directors of the Bessemer Hall of History, and with the West Jefferson Historical Society works tirelessly to preserve the history of Bessemer. The Bessemer Business & Professional Women's Organization and the Red Hat Society are much better today because of the volunteer service of the recipient. The recipient is well organized, confident, competent, and diligently strives to be of service to others.

While working in the business world, this person was very customer oriented, and knows most every person in Bessemer. They were always professional and treated everyone especially their customers with respect. Being patient and kind even when others were not they made doing business with them a pleasure."

The Chamber congratulates Chamber Ambassador Nelda Pate for this outstanding recognition.

Mayor Kenneth Gulley and Van Sykes with Award Winner Nelda Pate.

Chamber Ambassadors are proud of one of their own recognized with Charles A. Long Sr. Award: 1-r; Claire Mitchell, Lou Hickey, Lula Walter, Diane Sparks, Nelda Pate, Michael Stewart, Minnie Roper, Ericka Watson, and Sarah Beasley.

Bobby Blue Bland Concert at WaterMark

Anthony Underwood and the staff at WaterMark Place hosted a really great evening on February 10th with outstanding food and a concert from the world's greatest blues singer, Bobby Blue Bland. It was an excellent evening with over 200 what was a concert that will be well remembered by all. Bobby sang over 10 songs he has made famous even at his advanced age and having to be assisted to his chair on the stage. His spirit was young and his voice a blues tone to remember. Thanks must go to Anthony for bringing this extraordinary performer to our City and thanks to Bobby for a great show.

Mayor Kenneth Gulley presents Bobby Blue Bland with a key to the city as Anthony Underwood looks on.

Lawson State Hosts Legislative Delegation

On February 25th Dr. Perry Ward and the great group of educators at Lawson State hosted the local legislative delegation at the Bessemer and Birmingham campus with welcomes from Bessemer Mayor Kenneth Gulley and Birmingham Mayor William Bell. Chamber President Ronnie Acker updated the delegation on the economic impact of Lawson State in the Bessemer area and representatives of the school updated them on various programs offered. A tour of both campuses was made and a luncheon for all attendees was provided by the culinary arts students at the Birmingham campus. Dr. Ward made us proud by shining the spotlight on Lawson.

It's Your Business

By: Ronnie Acker, President

Speaking about March, Spring and the rebirth at this time of year, Adrienne Cook using St. Patrick's as her focal point said, "St. Patrick's Day is an enchanted time-a day to begin transforming winter's dreams into summer's magic." As business owners and managers you need to heed this quote. March is a great time to begin preparing your business for the activity you dream about in the winter months. Prepare for the increase in floor traffic, sales, in customer interaction, and for increasing your cash flow. It is getting to be spring and a lot of magic always happens in the spring and summer. Things begin to grow like trees, flowers, vegetables, and so should your business.

Dreams are only beneficial when you work hard to make them come true. Someone once said that some people dream of success while others wake up and work hard at it. Your vision for your business should become the working plan for your business which then becomes your map to success. Planning based on your vision is a foundation for moving your business forward not taking steps back. Tariq Siddique flat out stated it like it is, "If you are failing to plan, you are planning to fail." Plan to succeed.

Seek the input of your employees, make them a part of your vision, your dreams and your plan. Listen to their ideas, their vision, their dreams about the business and maybe they will help you have a better plan. Empower your employees, trust them as they earn your trust, be the leader of a team not the boss of a group. Stephen Covey said it like this, "An empowered organization is one in which individuals have the knowledge, skill, desire, and opportunity to personally succeed in a way that leads to collective organizational success."

As we enter March, Spring, make sure you are prepared for the magic. Celebrate St. Patrick's Day with enthusiasm because you are prepared for the magic. Allow your business to grow because of your planning, your vision, your hard work. Empower your employees to work the plan, to share the vision, to match your hard work. It is magic because it is your business.
